BY CAR

From all highways the Mittlerer Ring can be reached. From there choose the direction to „Zentrum/Hauptbahnhof“ (city centre/central station).

The Schillerstrasse is located at the south of the central train station. From there (Hauptbahnhof) turn right into Schillerstrasse. On the left hand you will find the Rilano 24|7 Hotel München City.

ATTENTION: the Schillerstrasse is a one way street. Public car parking is available nearby at Adolf-Kolping-Strasse 10, which is a 3 minutes walk away from the hotel (we have agreed special parking conditions: 15,00 EUR per 24 hours, opening times: 24 hours daily).

CONGESTION ZONE: please note that Munich’s city center is a „green zone/congestion zone“. Traffic restrictions apply and your car needs to be equipped with a special green sticker.
